A note from Pastor...

There is an excitement about returning to the fall schedule. The summer vacation ends and the school lessons begin. The pace of life picks up, and you realize how quickly the summer passed. Soon the busy schedule will consume your days, and it will be Christmas before you know it. Again you will ask, "Where did the fall go?" Because of the pace of life today, if you are not intentional about your faith it will be pushed to the fringe of your life. Sadly, you will have neglected the very thing that gives you the strength to live a meaningful life----your relationship with Christ. The emphasis on the Word of God continues throughout the 120 Days of Intentionality---GOT TIME FOR TRUTH? As a church family we will listen to the entire New Testament and study one book --Ephesians in depth. I am excited about this special emphasis on the precious Word of God! GOT TIME FOR TRUTH?
