BAPTIST CHURCH

**Pointing
the way
to life...**

a life filled
with faith,
hope and
love found
only in
Jesus Christ.

A Word from Our Pastor

I want to thank you for the response I have received concerning last week's sermon. Several of you have expressed a desire to help people in need and wanted to know what we could do.

Following one of our morning services, one person handed me a check designated for our benevolence ministry. Another suggestion was for us to collect food for people in need. Reaching out to others in time of need clearly follows the example of Jesus and the model given by the early church. In response to the desire to meet the needs of others, I am asking you on next Sunday, January 25 and on Sunday, February 1, to be part of a *Food Drive* to help people in need in our *own church family*. Please bring canned goods, paper products and non perishable products. This will be a tangible way to help our brothers and sisters in need. Thank you for your faithful and generous response to this effort as you show your faith in practical and helpful ways.

(I want to make a correction to last weeks note: It was written that money given to Baptist causes would be \$46.2 billion. The correct number would be 46.2 million.)

COOPER'S

O The economic news is terrible. People are losing their
R jobs, their homes, their life savings and all they have really
N worked for through the years. We hear of disasters, wars,
E mudslides, earthquakes, floods, and other dangers. How are
R we supposed to react? Let me offer these suggestions:

1. Pray about the situation you are facing and seek God's help.
2. Pray for God's touch on your life in the midst of your storm.
3. Pray and allow the Holy Spirit to take control of your life.

So remember, in the midst of it all, God is still in control and He knows our every need.

Your are loved,

Bro. Hugh
