A Word from Our Pastor

I Need Thee, Lord

I do need Thee, Lord. I need Thee now. I know that I can do without many of the things that once I thought were necessities, but without Thee I cannot live, and I dare not die.

I needed Thee when sorrow came, when shadows were thrown across the threshold of my life, and Thou didst not fail me then. I needed Thee when sickness laid a clammy hand upon my family, and I cried to Thee, and thou didst hear. I needed Thee when perplexity brought me to a parting of the ways, and I knew not how to turn. Thou didst not fail me then, but in many ways, big and little, didst indicate the better way. And though the sun is shining around me today, I know that I need Thee even in the sunshine, and shall still need Thee tomorrow.

I give Thee my gratitude for that constant sense of need that keeps me close to Thy side. Help me to keep my hand in Thine and my ears open to the wisdom of Thy voice.

Speak to me, that I may hear Thee giving me courage for hard times and strength for difficult places; giving me determination for challenging tasks. I ask of Thee no easy way, but just Thy grace that is sufficient for every need, so that no matter how hard the way, how challenging the hour, how dark the sky, I may be enabled to overcome.

In Thy strength, who hast overcome the world, I make this prayer.

Amen.

From *The Prayers of Peter Marshall*

COOPER'S

O Many times we should wait on the Lord rather than waiting for the Lord. The Psalmist wrote, "Wait on the Lord: be of good courage, and He shall strengthen thine heart."

R We want to do anything but wait. We will work, walk, war, witness—anything but "wait on the Lord." Let's remember that it is only as we wait on the Lord that He will strengthen our hearts.

N Strength belongs to the Lord. There is no despair too deep for Him to deliver from, no sin too strong for Him to subdue. No problem too hard for Him to solve. But we must wait on Him, and then He will give us the strength and power to do His will in our lives.

E There was a sign that read "Repairing done while you wait." Are you in need of repairing? Then take the time to "wait on the Lord."

You are loved,

Bro. Hugh
