# A Word from Our Pastor

We welcome today our guest preacher, Dr. Tim Lee. Dr. Lee, as a vocational evangelist, has preached the gospel faithfully all across our nation. His life is a testimony to God's faithfulness. As a former U.S. Marine and combat wounded Veteran, Dr. Lee knows well the high cost of freedom. As we worship today in a free country, we do so because men and women, like Dr. Lee, have been willing to go and fight for that freedom. As Americans, we have, at the very heart of our way of life, the beliefs so clearly stated in our Declaration of Independence, "We hold these truths to be self-evident that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the pursuit of Happiness -- that to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed..."

Today, let us renew our resolve, as Christian citizens, to uphold these principles for which our fellow citizens have given their all. May God bless our country and continue to bestow upon us the blessings of liberty.

## Happy Birthday America!

Independence Day celebrates the birthday of the United States of America. Founded July 4, 1776, with the signing of the Declaration of Independence, America is celebrating her 233rd birthday this year.
