A Word from Our Pastor

The countdown to the fall has begun. The final days of summer are upon us. Stores are filled with back-to-school supplies and kids and parents alike are realizing it won't be long until the fall schedule resumes. We are also preparing for the fall and a ministry schedule that will deepen your faith and equip you to live out the Christian life in your home and community. Our church is committed to strengthening family life and giving priority to passing our faith on to the next generation. To help us maintain this family ministry focus, the personnel committee will be making a recommendation that Daniel Dye make a change in his job responsibilities and become Associate Pastor of Family Ministry. This will increase his duties as he will work with our ministry coordinators in the areas of preschool, children, and youth. Furthermore, David Simon will shift his focus to Adult Education and Senior Adult Ministry. Soon job descriptions will be presented that will clarify their duties and allow you to understand their new roles. The personnel committee has been working and praying about this and we believe these changes for Daniel Dye and David Simon will bless our church and use the gifts and strengths these men have to further the Kingdom of God.
