BAPTIST CHURCH

**Pointing
the way
to life...**

a life filled
with faith,
hope and
love found
only in
Jesus Christ.

A Word from Our Pastor

When the economic crisis in our nation first manifested itself, many thought they might escape the full force of what became almost a total meltdown. Jobs once thought secure were quickly lost. During this crisis, North Carolina posted its highest jobless rates in at least three decades, leaving many families in a desperate quandary of how to provide the basic necessities of life.

The North Carolina Missions Offering (NCOMO) is one of the ways North Carolina Baptists bless the lives of people who are hurting. The ministries of the NC Baptist Men help those in distress and pain through their efforts in disaster relief, mission work camps across the state and the establishment of mission outreaches all across the state and around the world. Church planting is a vital component of the NCOMO and remains a primary expansion of the kingdom of God as an act of obedience to the Great Commission of our Lord.

The NCOMO remains a vital outreach on behalf of NC Baptist churches to hold forth the light of the Gospel in ways that show our love for God and one another. In obedience to His command, I invite you to sacrificially give that others might know the light and love of Christ .
