A Word from Our Pastor

A Labor Day Prayer For The Economy

Dear Father, in the name of the Lord Jesus, I pray for our nation's economy. I know that even more than a strong military, a strong economy helps keep a nation powerful.

Father, I pray that You would raise up people of skill and wisdom who will affect the economy of our nation. Give them inspired ideas and a voice with the powers that be.

Cause Congress to vote aright in these matters. Give them foresight so that provision might be made for our nation's future, not just its present.

Father, as the people of our nation continue to finance the preaching of the gospel and help the poor all over the world, I pray that You would continue to prosper us more and more.
